THE OLD TESTAMENT

The Old Testament is endlessly fascinating because it offers everything to explore: myth, saga, and history; tragedy, comedy, and farce; economics and politics; literature and poetry of surpassing beauty; court intrigue and prophetic morality; heavenly miracles and sometimes heavenly silence; questions of theodicy; answers that satisfy and answers that may not; destruction and rebuilding; despair and hope.

Thank you very much for your attention to this important detail.

Are your nickels & dimes (or loonies & toonies) heavy in your purse or pocket?

Well then, drop them in the beautiful pedestal in the Narthex. You will be helping children who do not have a bed to sleep on. ALL the money we send gets to the intended destination. The cost of a complete bed kit is \$35.00. Some destinations are Bangladesh, Uganda, Sri Lanka and Honduras.
