THE OLD TESTAMENT

The Old Testament is endlessly fascinating because it offers everything to explore: myth, saga, and history; tragedy, comedy, and farce; economics and politics; literature and poetry of surpassing beauty; court intrigue and prophetic morality; heavenly miracles and sometimes heavenly silence; questions of theodicy; answers that satisfy and answers that may not; destruction and rebuilding; despair and hope.

SCAMS!

Is that message on your computer legitimate?

It must be, it says it's from Microsoft!

Think again.....

Every year, Canadians lose millions of dollars to the activities of scammers who bombard us with online, mail, door-to-door and telephone scams.

SCAMMERS DO NOT DISCRIMINATE Scammers target people of all backgrounds, ages and income levels. Fake lotteries, Internet frauds, get-rich-quick schemes and miracle health cures are some of the favoured means of separating the unwary from their money. New varieties of these scams appear all the time.

If you would like more information, please contact the office Tues, Wed or Thurs.
